### **About Cookson Hills:**

**Cookson Hills provides home, school, and therapy  
for kids who are at-risk.**

For many kids, Cookson Hills is their childhood home.  
For others it's a temporary home for about two years.  
All kids come here to live within a family. They enroll in school,  
they play sports, they make friends, they set the table,  
they laugh, they ride horses, they heal, and (we hope)  
they leave better than they came.

Cookson Hills is a 7.5 hour drive from NWCC. The group will travel there together on Saturday, June 2nd and return together on Saturday, June 9th. Work projects will be determined closer to the trip dates depending on the ages, skills and abilities of our team members and the specific needs at Cookson Hills during that time frame. Our team will be staying in a bunkhouse at Cookson Hills equipped with heat, air, refrigerator, microwave, etc.

Lower Level: Sundays 6-7:30

# SOUNDTRACKS

SONGS FROM THE PSALMS

Join us this winter on the Lower Level as we study worship through the Psalms. Each Sunday we'll use music and interactive worship stations to create an experience where students and adult leaders can all participate together in glorifying God as we study the Psalms in a uniquely creative way. Middle school (6th-8th grade) and High school (9th-12th grade) groups meet together on Sunday nights from 6:00-7:30 pm on the Lower Level. At youth groups, students can expect a place to belong with plenty of fun games and activities, Bible study and small group discussion split by age group. The Lower Level opens 30 minutes before youth groups each week.

## Hearts of Love Project

### The Nayak Nursing School in Imphal, India

The late Dr. Anjuli Nayak of nearby Normal, IL founded a nursing school in Imphal, Manipur, Northeast India to further impact the Kuki Christian Church Mission, led by Dr. T. Lunkim. The vision of the nursing school is to train young women from throughout the Northeast India region to be equipped both medically and Biblically, allowing these women to impact their villages and communities for Christ. DANNSI (Dr. Anjuli Nayak Nursing School, Imphal) recruits students from both urban areas and remote villages, and is on the cutting edge of para-church ministry. Our mission team is sponsoring a nursing student who is unable to pay her own tuition, and this student will benefit greatly from our church's generosity. We are thankful for godly women like Dr. Nayak who made a difference through medicine in central Illinois, and used her earthly financial blessings to impact her homeland of India.
